To: The School of Licensing Board
Regarding: Betty Drew Sue

Dear Women of God,

It is with great honor that I recommend Sister Betty Drew Sue for entry into the School of Missionary Licensing. I have had the extraordinary privilege of knowing this outstanding young woman for several years. I have observed her minister the Word of God with power and sound doctrine. She was often a State Youth Congress Delegate from her local church and she was often on program to share Inspirational messages. Once she became an adult and later moved to this area, she decided then to become a member of New Hope, where I currently serve as her pastor.

Now, Betty faithfully attends Sunday School and has successfully participated in the Aspiring Missionary class. Additionally, Sister Sue sings in the Mt. Sinai choir and is on the praise team. Further, my wife, has called upon Betty to minister the Word at various Women's functions. Betty is committed to yielding herself as a living testimony as she ministers to individuals in and outside of church settings, and I believe you will be more than delighted to have her as a candidate in the School of Evangelist Missionary Licensing.

Please feel free to contact me for any additional inquiries that you may have at (904)-123-4567.

Yours in the Master's Use,

Superintendent Shadow Morris, Pastor
New Hope Church
